

Re: Allen Tieri

To Whom It May Concern:

I'm a Professor and program coordinator for the MFA in Independent Film & Digital Imaging at Governors State University in University Park, Illinois, and this is where I've come to know Allen Tieri.

It's an honor for me to write this endorsement for Allen's application to your institution. He is a graduate of Governors State's MFA path in Digital Imaging. I've known him for four years. He has taken my survey course and was at the top of the class in both the dedication and creativity he showed in his assignments and in his in-class contributions. I believe he may have a wonderful future in a higher education.

I recommend Allen Tieri without reservation. If I can be of any further assistance, please don't hesitate to contact me at (312) 972-9923.

All best,

Daniel Nearing
